**Publish Date**  
June 2014

Thomas Kinkadee loved America. From its many beauties to its great freedoms, Thom regularly sought to capture the spirit and heart of our great country on canvas. Nowhere is that seen more clearly than in this painting from the Thomas Kinkadee Vault, celebrating the symbol of freedom and democracy, the Statue of Liberty.

Given to America in 1886 as a gift of friendship from the people of France, the statue greeted arriving immigrants with hopes of a new life in this land of opportunity. Sculpted in copper, the statue's original color has oxidized over decades into the green tones that we know today.

In **Dedicated to Liberty**, Thomas Kinkadee captured those early years of the statue, and the power and majesty behind this great symbol of freedom. Light breaks behind the statue illuminating the freedom that awaits all who come. A ship in the harbor carries families and the dreams of generations. A burgeoning city filled with opportunities awaits.

The Statue of Liberty's official title is, "Liberty Enlightening the World." Enlightening the world with the light of freedom... from an artist whose simple message was... "Share The Light."

## Key Points

- This is the first release in the Liberty and Freedom collection which will include 3 Statue of Liberty paintings.
- This piece represents the early years of the Statue of Liberty and highlights its original copper color.
- It took almost 30 years for the Statue of Liberty to change from copper brown to its now iconic greenish-blue patina.
- **Dedicated to Liberty** is a Thomas Kinkade Vault piece that celebrates Thom's patriotism and love for his country.
- The ship on the right side of the painting is heading to Ellis Island and represents our immigrant history.
